Mr. Polidori then asked if he didn't have a computer how could he get a copy, Mayor Elwood responded he could come into the office and request a copy. Mr. Polidori asked if he had to FOIL for it, Mayor Elwood responded no, he could just ask for it. Subsequently a copy of Resolution No. 21 of 2026 was provided to Mr. Polidori. He asked if the tractor was budgeted for, Mayor Elwood explained how the Village was able to cover the cost.
